The British School of Monaco

Draft Website Policy

The Mission of The British School of Monaco is to provide Monaco families with a British curriculum school that offers a nurturing community and an innovative learning environment, enabling students to evolve into their best authentic selves.

The Vision of The British School of Monaco is to create an exceptional educational environment in which students are nurtured to become authentic individuals, and reflective, resilient and adaptive learners. Our teachers are dedicated to the pursuit of excellence, innovative teaching, and helping students reach their full potential.

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school, and meets local regulations.

The British School of Monaco believes the school website is an effective way of promoting the school and communicating with parents, school personnel, governors, students and with the wider community. The school website provides up-to-date school information with clear information for all stakeholders.

As a self-improving school we are always looking to introduce and use innovations that will raise standards in teaching and student learning. Therefore, we believe that an effective website is a vehicle for achieving this.

The Principal and governing body have the responsibility to ensure all statutory information is provided on the school website, that content is controlled and monitored, and that safeguarding procedures are in place for the safety of all students, school personnel and any other users.

The British School of Monaco will ensure the school website is regularly monitored to ensure it meets accessibility standards so that it can be viewed and read by as many users as possible. The British School of Monaco acknowledges Article 12 of the United Nations Convention on the Rights of the Child and that students should be encouraged to form and to express their views.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.
