HAIR, JEWELLERY AND WATCHES

BSM School Watch

Hair and Jewellery

Hair must – whilst in school uniform – be neat, kept away from the eyes and of a natural colour, in line with the high standards that the school sets for uniform and appearance. Long hair should be tied back in school using blue hair accessories. Make-up or nail polish is not allowed. If children have their ears pierced, we ask that this be done at the beginning of the summer holidays so as not to restrict them from taking part in Games, PE and Swimming.

Watches

Children are not allowed to wear any jewellery except the BSM watch or medi-alert items.

The British School of Monaco Uniforms

The Design Process

In January 2022 in collaboration with the board of the British School of Monaco the first steps were taken in the process towards defining the uniform for the school. The objective was to design a uniform for comfort and function using high grade materials as well as soft cotton clothing labels giving your children the freedom to move and run around in comfort.

Quality is Key

We believe that the **quality** of the fabric is fundamental for the well-being and **comfort** of our children, and have partnered with **renowned long standing European textile producers** that believe in the same values.

Produced in Italy

As mothers ourselves, we are passionate about adding elements from our own personal experiences and pay particular attention to detail when designing the various elements of the uniform. Over 80% of the British School Uniform is produced in various small family run businesses in Italy allowing us to develop a personal relationship with our producers and to work towards providing maximum quality.
